

## Materials Needed

48" x 54" Lap Size Quilt Top

- 8 Fat Eighths Liberty Tana Lawn  
*Liberty fabric is 54" wide. Fat eighths of Liberty will be larger than a standard fat eighth size of 9" x 21"*

- 1 yard white fabric

- 1 yard complimentary colour fabric (shown as pink)

- ¼ yard Liberty Tana Lawn for Binding

- 52" x 58" cotton batting

- 56" x 62" backing fabric.

## Cutting

1. From each of the 8 Fat Eighths of Liberty fabric, cut nine (9)  $4\frac{3}{4}$ " squares as shown in Cutting Diagram 1.
2. From the white fabric, cut eight (8) strips  $4\frac{1}{2}$ " wide, subcut each strip into nine (9)  $4\frac{1}{2}$ " squares. You will need a total of 72 white squares. Cut each square in half diagonally as shown in Cutting Diagram 2.
3. From the pink fabric, cut eight (8) strips  $4\frac{1}{2}$ " wide, subcut each strip into nine (9)  $4\frac{1}{2}$ " squares. You will need a total of 72 white squares. Cut each square in half diagonally as shown in Cutting Diagram 2.

Cutting Diagram 2

## Block Construction

Using one (1)  $4\frac{3}{4}$ " square of Liberty fabric and four (4) triangles made in steps 2 and 3 of the cutting directions, make a square-in-a-square unit as follows:

- (a) Centre two (2) triangles on opposite sides of the square with right sides together. Pin well to ensure the bias pieces do not distort and then sew using a  $\frac{1}{4}$ " seam allowance. Press seams towards the contrast print fabric.
- (b) Trim away excess from the sides of the square. (c) Centre the remaining triangles on the other sides of the square. Pin well and sew using a  $\frac{1}{4}$ " seam allowance. Press seams towards the contrast print fabric. (d) Trim the finished block to  $6\frac{1}{2}$ " x  $6\frac{1}{2}$ " square. Make sure you leave a  $\frac{1}{4}$ " seam allowance beyond each point of the inside square.

Make 36 blocks with a pink background and 36 blocks with a white background.

Make 36

Make 36

## Quilt Top Assembly

1. Lay out the blocks as shown in the Quilt Assembly Diagram:
2. Sew the blocks into nine (9) rows of eight (8) blocks and press seams towards the pink background blocks.
3. Sew rows together. The finished top should be 48½" x 58½".

## Finishing

1. Measure the quilt. Cut backing in two (2) lengths and sew together to make a quilt backing that is at least 4" longer and wider than the quilt. Layer backing right side down, then the batting and finally the quilt top right side up. Pin or spray baste as desired.
2. Machine or hand quilt. I used a simple straight line quilting design on the sample quilts.
3. Trim away excess batting and backing leaving an extra 1/8" of batting and backing beyond the quilt. This will help ensure the binding is full and even on both the front and back of the quilt.
4. Binding. Cut four (4) 2¼" x WOF strips cut from the Liberty binding fabric. Sew strips together end to end until you have one continuous piece of fabric. Press the long binding strip in half lengthwise with wrong sides together and attach to the quilt using your preferred binding method.
