

## Regent - A Liberty & Denim Quilt 56" x 72"

The Regent Quilt combines classic Liberty of London prints with new look denim from Art Gallery Fabrics to make a soft and pretty quilt perfect for a weekend project. The simple block is a twist on the traditional rail fence quilt block, its fast and fun to piece and best of all there are no points to match! We hope you enjoy sewing Regent and look forward to seeing your pictures on Instagram and Facebook. Don't forget to tag us or use the hashtag #regentquilt so we can see your beautiful creations.

### Materials Needed

- 21 Fat 16ths of Liberty Tana Lawn \*
- 2 yards Art Gallery Denim Studio Solid Smooth Denim in Indigo Shadow \*
- ¼ yard Liberty of London Tana Lawn for binding \*
- 4 yards backing fabric
- 100% cotton batting
- coordinating thread

\* Fabrics requirements are based on 54" of useable fabric width.

### Cutting

Select 11 of the Fat 16ths and cut the following from each one as shown in

Cutting Diagram 1:

- 2 strips 2½" x 9"
- 1 strip 4½" x 9"

From each of the remaining 10 Fat 16ths, cut the following as shown in

Cutting Diagram 2:

- 2 strips 4½" x 9"
- 1 strip 2½" x 9"

From the 2 yards of denim, cut the following:

- 62 strips 2½" x 9"
- 64 strips 3½" x 9"

From the ¼ yard cut of binding fabric, cut the following:

- 5 strips 2¼" x WOF. Set aside for binding.

### Block Assembly

1 Block A: Using a ¼" seam with right sides together sew a 2½" x 9" denim strip to each long side of a 4½" x 9" strip of Liberty fabric as shown. Trim to 8½" x 8½". Make 31.

2 Block B: Sew a 3½" x 9" denim strip to each long side of a 2½" x 9" strip of Liberty fabric as shown. Trim to 8½" x 8½". Make 32.

## Quilt Top Assembly

3 Lay out the A & B blocks as shown in the Quilt Assembly Diagram. The A Blocks will need to be rotated 90 degrees so that they are on their side. Sew each row and press seams towards the B Blocks. Sew rows together. The completed quilt top should measure 56½" x 72½".

## Finishing

4 Measure the quilt. Cut the backing fabric in two lengths and sew together to make a quilt backing that is at least 4" longer and wider than the quilt.

5 Machine or hand quilt as desired.

6 Trim away excess batting and backing leaving an extra ½" of batting and backing beyond the quilt. This will help ensure the binding is full and even on both the front and back of the quilt.

7 Binding. Use the five 2¼" x WOF strips cut from the binding fabric. Sew strips together end to end until you have one continuous piece of fabric. Press the long binding strip in half lengthwise with wrong sides together and attach to the quilt using your preferred binding method.
