

# Project Sheet - Sampler Quilt

Thanks for downloading the Six Inch Sampler Project Sheet. A 'sampler quilt' has been on my list for such a long time and this simple and quick project allowed me to tick it off my quilting to-do list without having to commit to a larger quilt. My sampler includes a selection of 25 traditional style quilt blocks. As I selected blocks I challenged myself to find some blocks that I hadn't seen before. Hopefully, there's a couple of blocks in the quilt that are new to you too! I hope you enjoy making the quilt and would love to see pictures if you do.

Many of the blocks used in this sampler can be found in the Quick & Easy Block Tool by C&T Publishing. There's even an app you can down-load for your mobile device to make it easy. I recommend down loading the app and using the cutting and piecing directions for the blocks marked with a \* found in the app or, you can follow along with this project sheet.

Cutting directions are provided for each of the 25 blocks pictured in both 6" and 9" finished sizes and step by step instructions are provided for each of the basic techniques used throughout the quilt. Sashing & border sizes are also provided so that you will be able to complete the quilt top.

Piecing directions are not provided for each block since most of the blocks can be assembled easily by following the images shown. In the example quilt shown on my blog I used closed seams and pressed towards the darker fabric for most of the blocks.

Happy Quilting.

Materials Needed for Quilt Top  
with 6 Inch Blocks  
Finished Quilt Size - 42" x 42"

- \* Colour 1 Aqua/Teal - 1 yard
- \* Colour 2 Navy - 1 yard
- \* Colour 3 Coral - 1/2 yard
- \* Sashing - 3/8 yard
- \* Border 1 - 1/4 yard
- \* Border 2 - 1/3 yard

Materials Needed for Quilt Top  
with 9 Inch Blocks  
Finished Quilt Size - 63" x 63"

- \* Colour 1 Aqua/Teal - 1 3/4 yards
- \* Colour 2 Navy - 1 3/4 yards
- \* Colour 3 Coral - 3/4 yard
- \* Sashing - 7/8 yard
- \* Border 1 - 3/8 yard
- \* Border 2 - 5/8 yard

A1*	A2*	A3*	A4*	A5*
Formal Garden	Nine Patch	Pinwheel	New Album	Churn Dash
B1*	B2	B3	B4	B5
Ohio Star	Disappearing 4 Patch	Antique Tile	Simple Irish Chain	Jacob's Ladder
C1*	C2*	C3*	C4*	C5
Whirpool	Kings Crown	Sawtooth Star	Old Windmill	Friendship Star
D1*	D2	D3*	D4*	D5*
Basket IV	Square in a Square	9 Patch Variation	Nine Patch	Grand-mothers Choice
E1	E2*	E3	E4*	E5
Snowball	Golden Gate	Art Square	Flock	Old Gray Goose

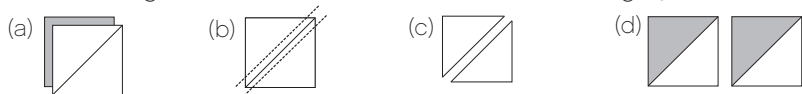

# Basic Techniques You Will Need to Make the Sampler

Each of the techniques shown below are examples only. The size of the pieces used is an example only. Please ensure you read the cutting directions for each block in the sampler as the cutting directions will tell you the correct size pieces you will need to make each block.

## Half Square Triangles (HST)

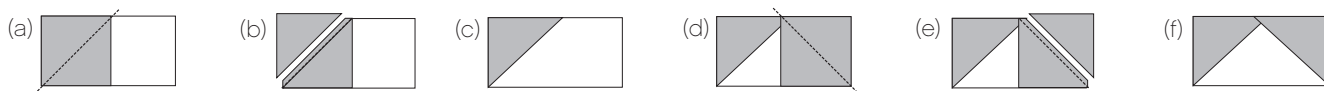

On the back of a white 2.5" square draw a pencil line from one corner to the opposite corner. (a) Place the 2.5" white square on top of the 2.5" grey square with right sides together (RST). (b) Sew  $\frac{1}{4}$ " away from the line on both sides. (c) Cut along the drawn line. (d) Press towards the grey fabric and trim to the size required.

## Flying Geese Units

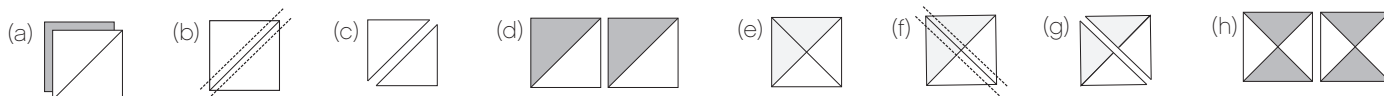

You can also check out the Flipping Flying Geese Tutorial on my website [www.shequiltsalot.com](http://www.shequiltsalot.com).

On the back of a 2" grey squares draw a pencil line from one corner to the opposite corner. Place one 2" grey square on top of the 2" x 3.5" white rectangle RST. (a) Sew along the line. (b) Trim  $\frac{1}{4}$ " from the sewn line. (c) Press towards the grey fabric. (d) Place another 2" grey  $\frac{1}{4}$ " from the sewn line. (e) Trim  $\frac{1}{4}$ " from the sewn line. (f) Press towards the grey fabric.

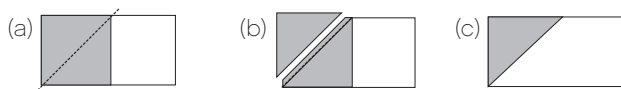

## Quarter Square Triangles (QST)

On the back of a white 4.5" square draw a pencil line from one corner to the opposite corner. (a) Place the 2.5" white square on top of the 2.5" grey square. (b) Sew  $\frac{1}{4}$ " away from the line on both sides. (c) Trim  $\frac{1}{4}$ " from the sewn line. (d) Press towards the grey fabric. (e) Draw a pencil line from one corner to the opposite corner on the back of one of the HST units. (f) Place the HST with the pencil line on top of the second HST with RST. (g) Cut along the drawn line. (h) Press and trim to the size required.

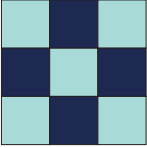

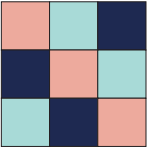

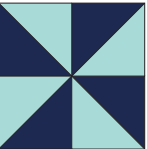

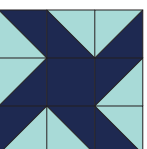

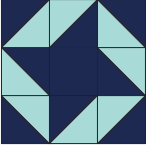

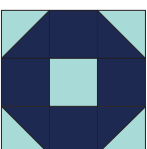

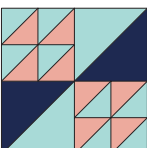

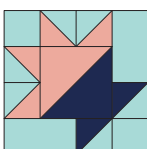

## Easy Corner Rectangles (QST)

On the back of a grey 2" square, draw a pencil line from one corner to the opposite corner. (a) Place the 2" grey square on top of the 2" x 3.5" white strip and then sew along the line. (c) Trim  $\frac{1}{4}$ " from the sewn line. (d) Press towards the grey fabric.

The sampler block (C1) used in this quilt requires a strip with an easy corner rectangle at both ends. Make sure you sew the second corner triangle on in the opposite direction. When complete your easy corner rectangle unit will look like the following:-

Block #		6 Inch Block	9 Inch Block
D4		5 - 2.5" squares colour 1 4 - 2.5" squares colour 2	5 - 3.5" squares colour 1 4 - 3.5" squares colour 2
